TESTIMONIAL

"I know of no other way to find out in advance if new restaurants will suit my particular noise preferences. After all, you visit a restaurant and pay good money for an experience. Why experience a less than optimal lunch or dinner, if you can avoid it with a simple search on Ambient Menu?"

*"I LOVE this Page!
It's SO hard to find places that have good food and are hearing-aid friendly"*

TESTIMONIAL

Finding good food is easy, but that doesn't always mean you will enjoy the experience. However, the Ambient Menu does.
