1

Get Listed – FREE [LIST YOUR RESTAURANT HERE](#)

List your venue in the Ambient Menu.

How to Video: [HERE](#)

- Help our users find your establishment, setting the stage for success.

2

List your more Ambient Atmosphere Times – FREE

[LIST YOUR TIMES HERE](#)

- When restaurants list their more relaxed dining times, it's shared with our members, helping them discover not just *where* to go, but **when** to visit for the best experience. This personalised approach leaves a lasting positive impression.
- You get listed as 'Ambient Atmosphere Listed' so diners can find you at the right time.
- We promote your listing with a social media spotlight and mention in our newsletter

3

Complete our self-paced online training course \$149

How to Create a 'Sound Smart' Experience

Sign up: [LEARN MORE HERE](#)

- You get a priority listing as a 'Sound Smart' venue. A highlighted listing, indicating your commitment to being providing a hearing friendly environment.
- Custom QR Code: Show off your quiet hours + training completion
- Social media post and story
- Mention in our newsletter sent to audiology clinics + health networks
