# About Us

## **A restaurant guide for diners who prefer a relaxed dining experience.**

The Ambient Menu is a quiet restaurant guide created by an Audiologist and Occupational Noise Assessor. Our web app is dedicated to guiding diners to quieter restaurants, creating an atmosphere where they can effortlessly connect and engage without the strain of excessive noise.

We are proud to have already garnered a loyal following of several thousand monthly users across Adelaide, Brisbane, Gold Coast, Sunshine Coast, and Cairns who are searching for their next hearing friendly venue!

### **Will it be yours?**

**Our mission is to take the 'din' out of dining out.**
